“ To Jan and the family.....

Ken and I were friends since the early 1970's. We played golf together on the golf team at OBU. Although many years passed by that we did not see each other, I will always remember when my son first attended U of O and Ken found me at Clarksville Country Club just by seeing my name signed in at the club house. He got in his cart and sought me out on the course and we renewed our friendship. That was nearly 20 years ago.

Ken had a heart of gold. He loved his family, his friends, his golf, and even his dog who was his close companion When Ken and I played in a few golf events it was always Ken with the patience and the calming influence that represented his character. He was a kind and caring friend that I will miss greatly.

This was devastating news to me and I know that your family is in deep mourning. I am very sorry. Ken was my friend and always will be. My deepest condolences to the family and to all who knew him.

“ Jan, Annette and I are so sorry for your loss. Ken was a good friend when we all lived in Glenwood. Unfortunately, years and miles have separated us; however, the memories of his friendship will live on. Ken was always one to offer help when needed. Praying for you and your family in the days ahead.
