“ My heartfelt sorrow for your loss. Words are never adequate to ease the grief of losing one so dear. I consider you all part of my "Denning family" that I grew up with. Warren and Louetta were closest to my age in school. Margie, please know that all you and Lonnie have done for the church in Denning was known and appreciated. I won't be able to make the services, we will be out of town.

I wanted to let you all know that I am praying for you. Remember that death can not steal love. The love you feel for him and he for you is something that goes beyond time and physical place. I hope that until you see him again, you will find some small measure of comfort in the memories he left you and the lessons he helped you learn in life. God bless you all, hugs,
