“ *I just learned of Mr. Timmerman's death today. My Dad, Harry John Fox, and he both worked for Arkansas Western Gas Co. Even though they worked in different towns, they were buddies. I know my parents would want me to express my sympathy to Mrs. Timmerman and the family. Sincerely, Celeste Fox*

“ *Art cared a lot about AWG in bad weather he would be out working with the rest of us and that made us want to work harder. He was a caring man. He will be greatly missed. Will be praying for family. Sorry I couldn't be there but my thoughts are with you.*

“ Our condolences go out to Elaine and Greg, the two Timmerman's we knew best. Prayers for the whole wonderful family. I know from reading about Art that he must have been a very special person; I'm sure he has made a tremendous difference with his life in the Ozark area and surrounding areas. Knowing that he will be greatly missed, I also know that he is enjoying his "well-done, good and faithful servant" accolade.
