“ Aunt Barbara was smart and kind. I have many precious memories of her. Billy is my moms brother. When we were small they'd get together and play cards with my parents. I learned that fried potato skins are very good. She was a beautiful woman. I remember watching an old movie film of us all at a swimming hole. It was fun watching them swing from a rope into the water. We would sometimes watch it in reverse to see them shoot out of the water and grab the rope. I will always remember her. My sincere condolences go out to her family. I love you all.
