“ *My grandma was an amazing women
My best memories of her are i would get to see her everyday as she
lived with us eat dinner with her help her cook see with her but
mostly i would go up to her room every night to yell her goodnight
and we would talk about our day and what we are going to do the
next day What road trip is next what day we are going to go find all
the yard sales
I love,miss and think about her everyday
To this day i still have not been able to grieve over my loss i think
because i can't believe she is really gone*
