“ Ben was a great brother. He was always ready with a joke and a smile even when he wasn't feeling well. He loved camping, hunting and fishing. Ben never had a bad word to say about anyone. Even when people did him wrong he'd try to find the positive in the situation. He's the reason i joined the Air Force after high school. He told me that if I wanted to have a better life than sprouting out a bunch of kids that the military was the best route. He was right. It was the best decision I ever made in my life. Thank you, Ben for being my brother.
