“ *I am sad to lose my favorite uncle, but comforted knowing he is with Him and in no pain. Condolences don't convey how I feel about his passing. The fact I wasn't able to be there in person. To my Aunt Carolyn and Kevin, Dana and James: Ben lived a great life and will leave us all with fond memories. I hope you all know what my heart feels and am unable to find the words to express. May your sadness be eased knowing you will see him again one day, and it will seem like but a small moment apart. I will miss you Uncle Ben 😭*
