“ I remember well the large smile on Bernie's face as she watched her children and then her grandchildren play in sporting events. My sons and her sons played football and basketball together at Maconaquah. I pray for comfort for her children and grandchildren during this time of loss as she was a ray of light that watched over them. Live to make her proud, May the memories of her laughter and smiles comfort you always

“ Some of my best memories were of our visits to our family in Arkansas. Bernadette was only 4 months older than me and we had so much fun. Picking peaches, cleaning chicken eggs for our uncle. Barefoot through the pasture. This is how I choose to remember you Bernie, a free spirited red headed little girl! Rest in peace my dear cousin. 💔 with love for the entire family, Alice Andrews Carper

“ I remember the first time Bernie walked into our house on 1201 Gleneagles Dr. She was there to meet the family as she just new to the Parks FAMILY. IT WAS AN INSTANT SISTERHOOD. Bernie was a Parks through and through. I must have been 14 or 15. She was tall like us girls. Big smile and wonderful laugh. My heart was always so happy to see her. Even when we were together at dads funeral in March, it was as if no time had separated between us. We just picked up, right from where we left off from our last conversation. Bernie always remained close to my heart and family, even after Parks was no longer her last name. Bernie, may perpetual light always shine with you. Xoxo, Janise Parks Zapanta
