“ I worked with Bernie from 1980-82 at Turner Memorial. What a wonderful coworker, lady, and professional she always portrayed. We had a mock emergency drill, and one of her daughters was quite the very vocal actress. Don't remember the injury she was assigned, but the staff loved her acting skills. Glad to read how active Bernie was after retiring. Only good memories of my time with Bernie.

“ *My memories of Bernie are full of love. She was always so fun to be*
around. She was a wonderful mother who was devoted to her
children. Sam and Bernie are forever in my memories. When John
and I moved to Ozark in 1981, they were one of the first to make us
feel welcome. Much love to all her family.
