“ Beverly was the "big sister" that always busted my butt when she caught me doing what I shouldn't be doing -but sometimes she joined in!!! I loved her to pieces. We were "family", even though we really weren't. Those ties will always be tight, and I know with utmost Faith that we will all meet again on that Park Bench that we all know and love. My prayers for God's Comfort go out to all family and friends. She was one of a kind, and I'll never forget her.
