“ Remembering You... My Husband, My Love

*Sometimes I just sit quietly
Reflecting for a while.
Imagining your voice, your face
Your warm and loving smile*

*I miss having you near me
And I only wish you knew
That my tears hold within them
All the joyful memories of you.*

*I shed these tears freely
Not in sadness but in love
And I feel a sense of comfort
Knowing that though we are apart
My memories of you will stay
Forever in My Heart*

Sending our love and prayers to all the family
