“ I miss you Uncle Brian. We had a lot of good memories. I'll miss seeing you around. You were always so nice to me and the family. I'll miss hearing your laugh and you trying to scare us with your growling. I'll always laugh at the memories my mom always told me about you guys and the crazy childhood you had. You were a great guy and I was proud of how your life was going lately. I know you'll always be with us. Can't wait to see you again someday. We all love and miss you uncle Brian ❤️
