“ *I'm so sorry to hear of Brian's passing. He was a good friend when I lived in Ozark, and one of the few people that I would make a point to visit when I return home to see my family. I'm lifting all of his loved ones up in the light of his memory.*

“ *I had Brian in my 4th grade class. He was a sweet, popular and loving child. Always smiling and always a worker. I was proud and honored to have him in my class. I'm sure he will be greatly missed in your family. I would be there tomorrow, but I have tested positive for COVID. I share my love and condolences to his family and friends. Mrs. Nevel*
