“ My heart is just broken. Carri was one of my best friends. What will I do without our long talks and her words of encouragement? She was a shining light and the world is a darker place with her loss. My deepest sympathies are with her family.

“ Condolences to the family. Carrie was a wonderful and beautiful person. I enjoyed her friendship when she attended high school and she was an inspirational and wonderful person to teach. So sad to hear of the passing of "our kids", the ones we taught and become so much of the Paris family.

“ *Carri was one of the first nurses I met when I started working in psychiatric nursing. She was extremely bright, had a strange sense of humor (which is a necessity in this line of work) and we became fast friends. I learned so much from her and will forever be grateful for our friendship.*
