“ I've known Cecilia all my days
And loved her so much. Such a great Lady. I have great close
memories made with her the last. Few years when getting to visit
with her in her home and her daughter. The home felt so good to
come into. Much Love was there. And I felt so welcomed. Will miss
Cecillia deeply.

“ *Ms. Mary,
I'm so sorry to hear about ms ceil!!!! She was a one of a kind sweetheart and I will miss her dearly. I thought about her often and reminisce about our long talks when she would come to Buzy bee and all. One of the most clear ones we ever had was about Joe Powell. She loved that man. Lol. She would be so aggravated about things people would say and she would say. Why don't they just leave him alone. It was always so cute they was she way. Our thoughts and prayers are with you and all your family during this time and road ahead. Take care and God Bless you all.
