“ Chandrea was one of a kind! From the moment we met, we had a connection and felt like I had known her my whole life. She was smart, funny, quick witted, caring, compassionate, and would tell you just-how-it-was! I could have listened to that girl tell stories for days! I loved being around her and regret that we did not spend more time together. Loving thoughts are with Scott, Nancy Jo, and the rest of the kids as you all go through another difficult time. May the Lord bless you and provide the comfort and peace you need.
