“ *I'm sorry to hear of "Charlie's" passing. I remember the past and how much fun we had growing up. It seems we saw each other every day. Fishing, hunting, swimming, or watching the late show at you all's house, or running around in some old car. We sure had a lot of fun. Most of my childhood has memories of Charlie, and actually the whole family. You are all in our thoughts and prayers.*
