

Christie Michele Childers

March 13, 1968 - November 17, 2023

Christie Michele Helmert Childers, age 55, of Ozark, Arkansas passed away, November 17, 2023 at home, surrounded by her loving family. She was born March 13, 1968 in Ozark, Arkansas to Robert Michael Helmert and Gina Sells Helmert. She spent most of her life being a devoted Homemaker, wife, and mother. She always proved that the true meaning of a mother's love is forever. Christie was compassionate, resourceful, and an industrious person. She never minced words, despite the fact that she was the glue that held everyone together. She enjoyed spending time with family, cooking, knitting, sewing, and doing other various crafts. Christie made the best potato salad and green bean casserole for any occasion. She enjoyed the beach, but most of all, she enjoyed being a nana. Holding the role as a nana was her world.

She is preceded in death by her mother, Gina Helmert.

Christie is survived by her father, Michael Helmert; her husband and best friend of 38 years, Jimmy Scott Childers; one son, Matthew Childers of Ozark; one daughter, of Ozark; three grandchildren; one brother, Stephen Helmert and wife Wendy of Ozark; three nieces, Gina, Jayden, and Haleigh Spoon; her special friend, Angela Wright; and many other family and friends.

“ My first and most precious memory of Christie is the day Gina and Michael brought her home from the hospital. I had the privilege of being a part of their special day. They let me be a part of bringing their precious baby girl home. Michael drove home with his “special” cargo being held my Gina in the backseat and the two of us in the front. What an honor it was to be a part of the beginning of Christie’s life. I told Gina and Michael that this meant she was part mine too! I remember Christie’s cute little nose and her ever so sweet smile as a little girl. She had a sweet spirit and will missed by many. Rest In Peace sweet baby girl.
