“ *I knew him as Guardian. Guardian was a very kind and gentle man. He would do what ever he could to show up for a child. I always enjoyed seeing him at Biker Church. I remember when he left BACA, his heart seemed so heavy but I remember the look he gave me when I gave him a hug and told him he helped so many kids and to remember that, he will always have those memories. That he helped so many. He will be missed. Ride with the Angels Brother. Much love and respect. Smiles*
