“ *So sad to hear. Coy was one of my favorites. We drilled a lot of hole together and I always left at the end of the tour with all my fingers and all my toes.*

He had a laugh that was infectious and he did it a lot as I remember. He loved his family and if Coy was your friend, he made you feel like family.

As long as I'm able to remember, I'll always have fond ones of Coy. RIP Drill. Job well done!
