“ Dear Friends, I am so very saddened by Coyce's death. When I was college age, Coyce was much like a second Dad for me and often treated me as if I were a son. Those years of my life are filled with memories of and with Coyce. He (and all of your family) was a tremendous blessing to me as well as to many. When Coyce officiated Nettie and I's wedding, 19 years ago last April, I never imagined it would be the last time we would see each other in person. I will always remember him as he was then.

Much love and prayers for you all.
