“ Darrell was a Big friend of mine! He was one of my tallest Sylvan Hills high school classmates and I was one of the shortest. We both enjoyed science class, dirt bike riding, and shooting but hunting was our main desire. We spent countless hours pursuing ducks, squirrels, rabbits, and deer. Riding around in his "Ridge running duckmobile", we cruised Lee point trail, Batson ,Low Gap, Horse head Lake ,and all over White Rock Management area as well as ducks around the minnow ponds at Lonoke. He shared his Wyers cousins as well as AD Wyers with me and we always had a good time camping, hunting and dirt bike riding with them all. AD sure could spin a hunting tale.

Darrell was very proud to serve his country in the National Guard and being a member of their rifle and pistol shooting team. He taught me a lot about shooting and was one of those men "Let's just say that you did not want to show up in his crosshairs"!

A Great oak tree has fallen and we will miss him terribly. My condolences to DR ,Deb, and the family.

Mike Parsley or "Doc" as Darrell called me.
