*Surprised to hear about his passing today. I knew David since junior high and we're good friends through high school even though I moved away to Modesto and would often come over to hang out with him and Jeremy Hale on the weekends. We would go cruising on Mchenry Ave and hang out on his parents property. Dave was a wild but good person. He will be missed. I wish I had kept better contact with him over the years. RIP Brother!

“ I worked with David at Butterball for a long time. David was one in a billion. I mean, this guy would give you the hair off of his head if he could if you were cold. Complete definition of a man. Honest, loyal, consistent. David was a man of his word. He always had your back when he said he did. I was always sure to pay this man back because he was so adamant about helping his friends. He would go out of his way to help the next person in line. I remember I was on the trussing table when it happened. Everybody at Butterball, it shook our world. You will be missed Big Brother.

“ I'll never forget David's laugh. Although I never saw him after High School. His laugh and his smile were so contagious. He was a true friend. He will be missed dearly by all those who knew him.

“ *I'm sorry I wish I could of made it. David was like a brother to me helped me through the time I lost all my family in a fire 6 months ago. I am a Vol. FF and wanted to quit but he took the time to talk to me and be there for me. I love him like a brother and was devastated when Mark Bowie had sent me the Article from the news.*

*It was like losing family all over again but with David's strong words like before I will go on and be the Vol. FF and person I am. RIP my brother FF. For you will be forever in my heart and I will always remember your Smile and your laugh.*

*We will take it from here. 💔*

“ I'll never forget all the memories and all the deep conversations. We had a lot of laughs and as you used to often say back in the days when we were work partners, "Bo, sometimes I feel like we're an old married couple! Arguing one minute and laughing the next." Here's to all the up's and down's, the laughs and tears shared over the years, buddy. I know I'll see you again someday. Love ya Daybo.

“ *David and I were like a beautiful summer day, so bright and hopeful. A storm came through and the day ended in destruction. Parted ways and thank God above after his parents passed we made peace with our mutual differences. So many memories and so happy that even though it hurts he's with his parents and it was always- always his favorite place to be. Even as a grown man. Hope you're enjoying coffee with Pop and Jesus. Love you always ❤️*
