“ *There are no words to express the appreciation I have for you brother. You were so good to my niece & nephews. You treated Mags better than she'd ever been treated. You were a good daddy period. Being honest, funny & caring are just a few of many admirable qualities you possessed. Thank you for loving my sister & her babies the way you did. You are already greatly missed!! Fly high man & we shall meet again on the other side* ♥
