“ Although I didn't see Aunt Dee very often, she left a life long lasting impression on me. My favorite memory was watching her golf in her spiked golfing flip flops. She never took a practice swing. I golf often now and have thought of her as I step up and swing away.

Your Mom will be missed. I always enjoyed your Mom at Westside. She was such a gentle Woman to the public's eye yet such a family Woman. Her family was so important.
As long as I can remember DeEsta Shaffer has always been there. Earth's loss. Heaven's gain. When this pandemic is over I will have a hug for each of you men. You have always been there for our families. You are in our prayers.
