“ I remember the most about Dennis at our country school, Whiteoak. He was such a cute boy, then a handsome man. We played softball. Had so much fun. We all loved playing many games with Dennis. Dennis was the popular guy!! Everyone was very close due to such a small school. I loved staying the night at their house. My buddy was mostly Virginia, but loved all of the family. Virginia and I were in the same grade. Dennis had a great family and a lot of love. His Mother would make us homemade maple syrup with our homemade pancakes. She had to make a lot. We all loved her cooking. Dennis will definitely be missed. May Dennis Rest In Peace. Deepest sympathy. I love you all. Sherry McClellan. Thanks for such great memories💙🙏🙏🙏💙

“ Although it's been over 5 decades since I've seen most of you, some of the best memories of my life were made, running around with the Howard kids in & near Cass. Denny stopped by after Dad's funeral in '91 and took some of OUR kids there where they had a wonderful afternoon. Whether we were fishing along the Mulberry, playing "war" in the old barn or just sitting around, wondering about life, you all burned yourselves into my memory and my heart.

I found out about Denny's passing too late to make being with you all feasible today. Let's try to find a time, perhaps next Spring or Summer. Our hearts and love go out to each of you today. He'll never be forgotten.
