“ Hello Jason and Louise, I'm sorry for your lose. DJ was a great uncle to me We worked together, played together, hunted and fished and drank beer for years. We moved to Oregon when I was 15 so we lived close by for about 50 years. That's a lot of good memories. I've been thinking and I can't remember Dee ever being mad at me about anything. Dee was easy going and he came and went and did what he wanted to do in life which a lot of people don't do. I think of him often. We will meet up again. We had years of good times over at Stayton town. I am missing you and love you uncle D. Danny

“ Jason, God's Peace be with you and your family as you navigate the path you have been given.
The loss of your father is devastating and will be difficult to accept. Be thankful for your many years together in which an abundance of memories were made. These memories are what you have to hold onto now, so think of them often, hold them close and keep them safe, and most importantly, allow them to bring smiles to your face and comfort to your heart.
If there is something you think I can help you with, please let me know.
Prayers for strength and feelings of comfort -
Your friend
