“ *This is to the Overby family. One of the most special memories I have abdominal is whenever we all caught the bus at fern Church. How we took pictures of each other opposed laughed chased each other and we're just playing like cousins. Of course we also had Johnny Shores there who was older than us and thought we were all crazy but we weren't crazy I love every one of you and I want you to know that. I am so sorry that y'all are having to go through this at this time. We never know when our time is and made did not realize how sick, was. God bless each and everyone of you I love you.*
