“ *I just want to say Don Styers was one of a kind. I didn't know much of him in school even though we were a year apart in age. Not until the early nineties when we worked together at Cargill South Side Farm did I get to see who Don Styers was.*

*He could take a cranky tired day and turn it into a hilarious happy day. This man always had an answer to everything. I dont think I can pin point just one memory of working with him. They are all special memories. RIP Don.*

*Donnie and I lived accross the street from each other. We were in grade school, and we enjoyed playing football. And just hanging around! And he was a ray of sunshine in a terrible day! I am so sorry for your loss, my God ease your pain, and suffering. RIP my good friend! Love you buddy!*

“ I met you on the playground in first grade. I had no idea that day that our friendship would span 51 years.  
You were part of the great candy stealing caper 😊. We had pizza Thursday time at Tech.  
You helped me gain confidence in myself.  
You always had a smile on your face to anyone you met.  
You always helped anyone who needed it.  
You wore the purple and gold with your head held high and definitely had HILLBILLY PRIDE!  
I'm so glad that Catina came into your life. You would tell me how blessed you were with your family and life.  
The memories of those 51 years of friendship will forever be in my heart and my memories.  
Fly high....  
Until we meet again
