“ *Amber I will be keeping you, your Dad, Madison, Luke in my thoughts and prayers. I had only meet your mother a few times but in that short time I knew she was a very kind and loving wife, mom, grandmother who loved God very much ! I know she will be missed and she will only be a prayer away and God holds her in his hands and has asked her to be an angle to watch over you all.*

“ *I am so sorry for your loss. Donna is a Child of God and she is in a much better place that we are. I met Donna when I worked for Bank of The Ozarks, West Side Branch. She was always pleasant. I never saw her without her hat :) God's peace be with you. Judith W Armstrong*

“ Donna was a strong, determined, self-giving, do- the- right- thing kind of woman that was a lover of animals. Now her faith in Jesus has become sight and I am sure she looks forward to having her family see what she sees and know what she now knows.
