“ Ms. Doris was a very special person to me. She could wrap a gift to perfection and made the most beautiful and perfect bows you ever seen. She could also out work any one of us young girls at the shop. I told her to quit taking the trash out because the staircase was not level and dangerous and I would turn around and she would be missing and there she would be outside taking the trash out. I was truly honored to work alongside her. She had a beautiful smile that could light up a room. I will miss my Momma D! My thoughts and prayers are with you all!
