“ My Aunt she was always there for me from day one. My love for her was like a child loves their mother. She was much more than my aunt she was my friend. I will miss our visits and our phone calls. She loved me even though sometimes she may not have understood me. I know my Dad Gene and all her brothers are so glad to see her again, but Uncle Wayne was sitting waiting are his bride to come home, she home now and I know they are dancing. They were both special to my family and we will keep them with us, till we see all of them again. Thank you Gary and Keith for sharing her with me all these years. Love you Auntie you were truly a special lady!!!!

“ Marie and I work together at first Baptist Church doing music working with the children’s program. Very godly lady who was devoted totally to her family and her church. She definitely will be missed, however, she’s enjoying Christmas with Wayne and her family this year. May God sustain you through this time Gary, Bonnie, and Keith. You all are in my prayers.

“ I don’t remember meeting Marie but I graduated with her son, Keith. She must’ve been an awesome woman to raise a good hearted son, who was by her side until Jesus called her home. RIP Marie. You have been a good and faithful servant.

“ So sorry to hear of Marie's passing. Wayne and Dad, Raymond Jackson, worked together for years driving for MoPac. Wayne, Marie, Mom and Dad were great friends. They traveled together often and really enjoyed each others company. Great memories of them all. Prayers for you all.
