“ *Just a few years ago Fannie made me a pan of dressing for my families Thanksgiving meal since she was a great cook & I loved her dressing. She was a true friend. Had dinner many a time at Fannie's house over the years. Always enjoyed being with her & Bob. Met Fannie when we moved to Hartman back in 1973. I loved those pant suits that she wore. She always looked so well dressed. Fannie was a very close friend from grade school to my Mother, Laquita. They've been friends for probably 80 years!! Mom & I will miss her greatly in our lives.*
