“ *I'll miss her so much! She was always there to listen and to greet you with a hug, kiss and a smile! When you left her there was no doubt you were loved and cared for! She loved to worship God! She was a prayer warrior that could touch God on your behalf! She may be gone from our site but she'll never be gone from our hearts! I know we'll see her again very soon and we'll never have to part! She's made it home and is now a angel overshadowing her loved ones!*

“ *Fay was one of the sweetest people I have ever known. She always had a kind word and a hug whenever I saw her. I know that she will be so greatly missed.*
