“ Gary was a precious, precious friend to me. I met him through our singles support group. He always showered us ladies with compliments and sweet words of affection. I don't remember ever seeing a negative post from him. He was always positive. When I finally met Gary in person I was met with a big , warm hug. It was so wonderful being around him. During my recent trip to Florida he was also sure to keep in touch with me. He loved his kids and grandbabies like I do mine. What a privelege it was to call him my friend. My prayers are with you all. RIP&Love my friend.
