“ *I first met Gerald cruising town, I would stop in whatever parking lot he was in to request a song. He never felled to fulfill my request. He would smile his big smile and start singing. Gonna miss you.*

“ I moved to altus in 1997 from Springdale ar.

At 15, there wasn't much to do around these parts so I decided to start singing around town and I met Gerald. He immediately took me under his wing and he became like a brother to me....oh the memories...some embarrassing lol..my car had a flat Id say at least every two weeks and he would ALWAYS just be there...helping me change it lol.

One of the prominent memories I have is going to visit him at his mamas and we would just be talking about life and he would always bring up his vision of what his children would be like and what his wife would be like and he would just say dream....then he met Anna! And together, they fulfilled his dream and over exceeded it by all expectations. He was a HUGE light source to not only his friends and family, but to everyone who was ever graced by his beautiful presence. Thank you God for blessing me with his big smile and a I love you last Sunday. Gerald, save me a seat in that chair up there and give my mama a hug for me. I Love you....until we meet again my sweet brother

“ I am honored to have known Gerald. He was one of the sweetest individuals I have ever met. I will forever remember him when he was about 21 years old singing a song for me in his beautiful deep deep voice. I know you will join the choir of Angels in Heaven, Gerald!

I am so glad that Gerald was able to know that his son Larry is Ozark's newest Eagle Scout! Larry became an Eagle Scout on June 14, 2022. I am sure Gerald was very proud! I have no doubt that Gerald's guidance as a wonderful father and as a person strong in character had a lot to do with that achievement.

Anna, Larry, Clay, Makayla, and all the family - our prayers are with you! May God grant you the strength you need to get you through this difficult time.
