“ *Several weeks ago I was visiting Gussie and she wanted to go on a short drive. We headed out in my husband's old pick up which was having issues. Gussie was in her pajamas. The pickup would die and fortunately start back up. It did this several times before we made it back to her house. She said that will teach me to wear my pajamas on a drive. Glad we didn't have to get help! Lol. She called that an adventure!*
