“ Very sorry to hear of Harold's death. I had not seen him in quite awhile, but remember him well, and always considered him a friend. He and my late brother Raymond were close friends when both were young men, and had some adventures together. I remember one time they both showed up at our old home in Alix riding motorcycles, which they had ridden from Kansas City. Just a short time ago my wife was checking obituaries online and saw the notice about Harold, too late for us to make it to the visitation. I also will not be able to be at the funeral as I have an ultrasound test scheduled tomorrow morning at 8:30, and of course it will be 10:00 by the time they actually get it done. Please accept my condolences, and my prayers and thoughts will be with you. Many blessings to each of you, his family.
