“ Hi my name is Al Silbaugh. I have been a friend of hacksaw Herold ever since we met in North Dakota so many years ago. I was trying to reach him to tell him my dad passed Monday and that I would be by there to see him on my way to take dad to his final resting place when I found his phone not working. I'm met several of you around Christmas a few years back when herald picked me up and brought me home for Christmas around 10 years ago. I am so very sorry for your loss. The world has lost a beautiful person and he will be missed in this part of the world. If you would like to reach me my number is 8174714209. Again sorry for your loss.

“ *Harold was a friend to me and my family. He loved life, family, and a true friend. Even though we didn't see Harold, we knew we could count on him for anything if we needed a helping hand. Harold had a great sense of humor, a laugh as big as he was and always gave a hug. May God's love give Thula,, Scott, and Todd the strength and peace during this difficult time. I will be praying for you all. Love you my dear friends.*
