“ Hilda was my best friend when we were in high school. We shared many laughs and memories. After moving away I didn't see her often and we lost touch with each other. I saw her a few times at the class reunions. She was a very good person and will be missed.

“ My thoughts of Hilda Grace are always of a loving, caring person. She and Sam were always a part of mine and Patrick's lives growing up. With her working with our dad at REA, to us staying the night with them at their home and out at the cabin. To the family, may God bless you all during this time with peace and comfort. And may you continue that legacy of love Hilda Grace had for all through her faith and hope. From all us in the Noggle family our hearts are with you. Yours in Christ. Rev. Dr. John J Noggle

“ *What a Blessing to be a part of Hilda’s life. She was so devoted to her Savior and her family. I learned so much from her. We would often make just fried sweet potatoes and deviled eggs, her favorite. I will cherish her memory forever. My deepest condolences to you all.*

Hilda was my friend from the first moment that I stepped foot in WC Baptist Church 25 years ago. We had such good times going to Branson, working together in Bible School. It was an honor to call her my friend. I will surely miss this lovely lady.
