

Jack Holt

September 17, 1950 - October 31, 2021

Jack Holt (no middle name but sometimes “flash” or “rabbit”) passed from this world on October 31, 2021 surrounded by his wife and children. Jack was a loving husband, father, brother, son, and friend who never met a stranger. Jack was born on September 17, 1950 in Paris, AR. He was the 4th out of 5 children born to Virginia Powell Holt and Jeff "Stumpy" Holt. He was a 1968 graduate of Ozark High School. His passions included hanging with his high school sweetheart and wife of 51 years, Vicki Wisdom Holt, and following his grandchildren around in support of whatever they were doing. Jack would say he was a "Jack of all trades, but master of none" but his family would disagree. To his children, Jack had all the answers! Jack was a proud NRA member and he was retired from OG&E, but still an active shade-tree mechanic and collector of items he thought were of value. He was an engineer of epic proportions when it came to putting toys together or fixing something quickly with duct tape and zip-ties. His true passion and gift was bringing laughter and smiles to everyone he met or encountered on a daily basis. Whether he used a funny mannerism or anecdote, quick-witted humor was his forte. Jack was a member of Northside Church of Christ but long before accepting the Lord he held many Christian values. He was honest, even when the truth hurt. He helped those in need and was always eager to help his neighbors. He put his family and others in front of his own wants and desires. Even in his last days he was worried about his family and those caring for him.

Jack overcame quadruple bypass heart surgery, small bowel Cancer, liver cancer, and countless other ailments all the while living his best life with Vicki and his family. He had three of the heart bypass valves fail, twice, and had stints added. His strong heart was definitely the reason his body fought hard the entire time he was in hospice.

Jack was preceded in death by his parents, his oldest brother Tommy Jeff Holt, and granddaughter Cassandra Michelle Lemley.

Jack is survived by the love of his life, Vicki Lynn Holt and their children Jackie (Hays) Lemley of Van Buren, Keith (Halli) Holt of Greenwood, and Angela (Floyd) Fisher of Greenwood. Jack had 8 grandchildren he strongly supported, Allison and Tyler Lemley, Peyton, Dawson, and Ty Holt, and Karli, Kinley, and Kanon Fisher. His remaining siblings are Peggy Banning of Ozark, Betty Jo Cochran of Hot Springs, and William "Bill" Holt of Ozark. He also leaves his brother from another mother, Zeke Burns of Alma. Also, left without someone to sit with at his home are his dogs Miley and Izzie and his beloved '38 Oldsmobile.

“ Hi Jack....he always told me not to say that in an airport. We called him Jack-in- the-Box. Not going to lie. This ole boy will be missed at the Burns house. He and Zeke talked constantly. I got to chime in every now and then,but their conversations were their thing. Boy could they find things to talk about. They liked to go places together until their health issues prevented them from going very far. These brothers from different mothers were two peas in a pod. Going to miss that cute little giggle he had when he got tickled about something. Love to all he leaves behind to cherish the many memories he made. You know we're just a phone call away should you need anything. May the good Lord shine upon you and comfort you during this time of change. This is not goodbye,but see ya later alligator. Until then.....Love ya.
