

Jack Raymond McCormick

November 9, 1934 - June 30, 2023

Jack Raymond McCormick, age 88 of Ozark, Arkansas, died Friday, June 30, 2023. He was born in 1934, in Lecompte, Louisiana, to Albert and Mabel Deville McCormick. Jack grew up in Woodworth, Louisiana, and attended Lecompte High School in Rapides Parish where he started dating his future bride, Opal McCann. He played fast pitch softball throughout high school and graduated in May 1952. After high school, he began working on the Southern Forest Survey, first with the Louisiana Forestry Commission, and then with the United States Forest Service in 1954.

Jack attended Louisiana State University and graduated with a degree in Forestry in August 1961. He and Opal married in June 1957, and they both were avid LSU football fans in spite of some good-humored harassment from friends and neighbors while living in Arkansas and Georgia.

In early 1957, Jack joined the U.S. Army Reserves and was called to active duty after graduating from LSU. He served as a staff sergeant with the 4009th Army Garrison at Fort Polk during the Berlin Crisis from September 1961 to September 1962. After his discharge, he went back to work with the U.S. Forest Service on the Forest Survey.

In September 1963, Jack transferred to the National Forest System, and worked as a forester and then as the Ranger on Forest Districts in Texas, Arkansas and Georgia. In 1981, he transferred back to Arkansas to serve as the District Ranger in Ozark until his retirement in January 1990. He and Opal were long time members of First Baptist Church of Ozark where they served with many good friends in the Preschool Department, the church kitchen, and with the Deacons.

Jack is preceded in death by his wife Opal McCann McCormick. He is survived by two sons, Barry McCormick, his wife Sheila and their three sons Sean, Ethan and Aaron; and Ken McCormick and wife Terri.

“ Ken, I am so sorry to hear this about your dad. I wish the notice had been made earlier in the Spectator and I would have been at the service. I lost my dad in January 2020, so I know what your going through. Time helps but you will always have your fond memories to keep you going!

“ I am sorry to hear of Jack's passing. I first met him in 1962 (or was it 1963) when I was in high school in Russellville, Ark. He was the District Ranger at the time and I attended a career event for seniors. Jack represented the U S Forest Service and talked about a career in the USFS which I had always considered. He told of the rewards of working in a conservation job and the adventures of such a career. Little did he know how his words inspired me. I enrolled in a forest management curriculum at Arkansas Tech and later transferred to Arkansas A&M where I earned a bachelor's degree in forest management. During that time, I worked three Summers with the USFS gaining valuable experience. I ended my career in January 2000 retiring from a job in timber management in the Regional Office. I did have the , opportunity to tell Jack at his retirement party how he had inspired me in my career goal. Jack was a special person who will live in my memories. Thank you Jack.

“ I am so sorry to hear of Jack's passing. I had the pleasure of being associated with Jack while he was Ranger on the Brasstown District in Georgia. Jack was dedicated to the outfit and respected by all. He was one of the best!
