“ *Thoughts and prayers to the family. Jack was my favorite bus driver and always drove us to the ball games. I will always remember him playing Dixie as he pulled up to my house. Thought of him often through the years. He will be missed!*

“ *He called my dad Cotton Top when dad rode his bus. He called me Blondie and my brothers Doc when we rode his bus. He was the one that got myself, my brother and so many other Hornets safely to and from ball games. When I think of my time spent at PV I have nothing but fond memories of Jack. We were blessed to have him in our lives. My heart goes out to his family and friends.*

“ His welcoming hand shake and beautiful smile will be missed by us and many others who had the opportunity to have known him. All my children where able to meet him all memories of how much he loved greeting even them. We attended his 50th Wedding anniversary about 15 years ago when our oldest was only around 1 year of age so I feel like all though knowing him was only a time in our life he will leave a void nobody can fill.
