“ *I met Mr. James Ervin Allen years ago when mother said we were going to pick him up in Little Rock. He was going to stay with mother a week or so at her lake house near Onalaska, TX. It was an enjoyable trip back home. He was interesting and kept the conversation going. We visited him, and later, him and Diane, several times over the years. I thank God that we were able to see him a couple of weeks ago at his grandson's home. He was blessed to have Buster & Brittany who were so hospitable to mother (Maxine FEHR Short), my sister (Charlotte), and I. I can't tell you how much we will miss him, especially mother. He usually called her a couple times a week to check on her and ask her to come see him. We loved him and just want to let the family know that they all are in our thoughts and prayers. God be with you, Leslie Adams*
