My baby brother, I miss you so much already. I know you are no longer hurting. You were one humble man. I am so proud of you and so happy knowing you are in heaven. I was o we joyed when you told me you accepted Jesus and that you were ready when He was finished with your heavenly mansion. I will miss our FaceTime calls so much. We will keep tabs on everyone at home. You rest for now and one day soon we will be together again. I love you forever.
