“ *I lost contact with James a few years ago, he was no longer on Facebook. I tried to find him but couldn't. He came up in a memory today, to learn that he passed away. We'd talk on Facebook all the time and then he was gone, must of gotten sick. I sure miss him. I am so sad. May he Rest In Peace. My heart felt condolences to his family even if it's late.*

“ My dear buddy James, we have been friends since high school and we shared many many experiences had great fun ,he moved out of California to Ozarks and several years later we reconnected on Facebook I was so happy to be able to talk to him again he had his down days but for the most part he was the biggest sweetheart ever he had such care for his family and friends, we had so much in common we would joke that me and sandy his twin where switched at birth and that I was his real twin. Lol. I miss him so very much already but I know he is no longer in pain or suffering and I know I will see him again when the lord says it's my time . So this is not good bye this is see ya later buddy you are my sunshine 🧡🙏💋
