“ *My beloved daughter. I miss you to heaven and back. Your last wish has been granted. Kayla is taking good care of Clay for you. I am helping Cherry with family history for Kaido. He is sad to hear you are gone but loves hearing the childhood stories I tell them of you. He loves you and I hope you can feel that in your world now. They keep you alive through him. He is a gorgeous and bright little boy. You have a heart of gold.*
