“ *I've only know Jean since 2000 and moved here from Kansas. But I felt like I had known her for years when I met her. We had some great talks on the telephone and also in our Sunday School Class. She was such a wonderful friend and a great Christian Lady. She will be missed by her family and friends. Knowing that she is with her husband has to be a blessing to her family. Sue Stapp*

“ I will always cherish the times I visited with Jean as a friend and her home health nurse. We shared many memories. Jean loved her family and church. She often talked about her grandchildren and always asked me to keep Josie in my prayers. I already miss you Jean. Mary Foster

Jean was a friend that I always loved to see. At Webb City church, at Walmart or the grocery store we always made a point of visiting with one another. I remember times when Jean and My Gene cut up at ballgames. She was a great lady and I enjoy the memories I have of her. ... Cathy Jones
