“ *Jeff was a very special person to me. I had him as a student at Altus High School. Jeff was an excellent math student, always respectful, and funny. He wanted to keep an A in my class to make his mother proud.*

Jeff served proudly as a Marine and told me how important his service was to him.

The biggest accomplishment and the one thing he bragged to me about was Blayne. He loved his son with all his heart. What a wonderful gift is love that will last a lifetime.
