“ Never had any better fun with anyone than I always did with "Stew"! I've known Jeremy most of my life and I'm still in shock that he's gone. Rest easy my friend! I love you like a brother and I will never forget you and the innumerable laughs and memories we shared. I'll catch you on the flip side driver! You will be forever remembered and missed. Love you brother, Fisher

“ My husband Jeremy and myself have many great memories of "Stewart" the night that he maybe had a little too much excitement and passed out walking to the car is one we will never ever forget. If you were there you know how funny it was. Jeremy and Abby are some of the best friends we could ever ask for. There's no way around how much we are going to miss Jeremy and his friendship. Our 2 older boys absolutely loved him and he always gave them a hard time and him and Abby are the first two people who came to see our twins when we brought them home. We are going to miss you so so much Jeremy ,we are so thankful for the years and friendship that we got to share with you!!! Much love my friend, hold it down until we meet again!

“ I will never forget the first time I met Jeremy and Abby. They stopped at my house on Beneux Bottom Road after I bought it inquiring about all the downed trees that have been there for years. Even though I had five other people stop something struck me about these two... my neighbors Who quickly became my friends. Jeremy and Abby were always there to help me when I needed help, or needed their tractor work or whatever it was. They always made sure that I was OK. God truly got a helping heart and a helping soul. Rest in peace, Jeremy. I will always be here for Abby as you guys were always here for me. You will be truly truly missed. My heart is hurt.

Jeremys mother was my very best friend. I counted Jeremy as a friend and Abby also and I am so sorry for their loss. Rest in peace Jeremy. My prayer is that you and Danny and your mom and dad are together with the Lord.
